WHAT ARE COOKIES?

This Cookie Policy explains what cookies are and how we use them, the types of cookies we use, i.e., the information we collect using cookies and how that information is used, as well as how to manage cookie settings.

Cookies are small text files used to store small pieces of information. They are stored on your device when the website loads in your browser. These cookies help us make the website function properly, make it more secure, provide a better user experience, and understand how the website performs and to analyze what works and where it needs improvement.

HOW DO WE USE COOKIES?

Like most online services, our website uses first-party and third-party cookies for several purposes. First-party cookies are mostly necessary for the website to function correctly and do not collect any of your personally identifiable data.

The third-party cookies used on our website are mainly used for understanding how the website performs, how you interact with our website, keeping our services secure, providing advertisements that are relevant to you, and all in all providing you with a better and improved user experience and helping speed up your future interactions with our website.
